

Borealis Bullseyes – 2023 CMP Western Region Second-Place Team

Club President Marshel Reed with Cora Anderson, Bella Anderson, Sophie Wilts and Henry Riffe.

Cora Anderson placed first in the under 17 age group at CMP Western Region Championship.

Borealis alumnus Gabriela Zych, now a sophomore at the University of Memphis, at Olympic Trials.

Shooting at the 2023 CMP Western Region Championship and a few of the extra-curricular activities. So much to do and new places to eat in Sandy, UT.

Grants from our MidwayUSA Foundation endowment, Safari Club International Alaska Chapter and Alaska Rifle Club paid a significant portion of our operating and travel expenses. MidwayUSA Foundation Endowment Donors are listed on the Borealis Bullseyes' endowment profile page. Alaska Gun Collectors Association has always welcomed our participation at their gun shows. Matanuska Valley Sportsmen and Alaska Rifle Club members have loaned smallbore rifles for use in training and competition. Sincere thanks from the Borealis Bullseyes Shooting Club for supporting Junior Olympic shooting sports. You can support the Borealis Bullseyes youth shooting activities by enrolling in Fred Meyer Community Rewards, or by making a donation to our MidwayUSA Foundation endowment.

More fun than really good shooting at CMP Nationals. 'Nuf said, we'll do better next time.

Coach Todd Yoon travelled to Fairbanks with seven athletes to attend the Alaska State Junior Olympic Rifle Championship at UAF. The Borealis Bullseyes roster included Bella Anderson, Cora Anderson, Presley Kersten, Ahren Peterson, Madelyn Nickerson, Henry Riffe and Sophie Wilts. Sophie was the Bronze medalist in Women's Smallbore and Henry was the State Champion in Men's Smallbore. Matteo Yoon gave them all a tour of the UAF Fire Department where he works when he is not being a student at UAF.
